Classrooms, Library and Toilets are major concerns for a better infrastructure..

Introduced smart class

More improvement is needed

Try to Improve the infrastructure

1-Need of a Reading Hall to extend the usage of precious content which the Library have.
2-Need of some places to take classes while exams are going on.

Educational technology should be used more in teaching.

Maintenance and cleaning are required in the college.

It is the best college to work and it provides best possible environment to explore new dimensions in education and co curricular activities.

Infrastructure ka vikas ho aur college ko 2 blocks m bat diya jay jisase ki sal bhr niranter chalne wali parikshaon ko prabhavit kiye bina sal bhr lagatar classes chalti rhen
