**Recommendations of Experts:-**

Certain vital issues relating to higher education i.e. qualitative measures for value based education, effects of privatization on value based education, role of value based Higher Education to sort out the problem of absenteeism relevance of Information and Communication Technology (ICT) in value base higher Education, role of value based higher education for equity, Justice and social harmony, relevance and importance and research and development in VBHE, impact of UGC guidelines 2010 and U.P. higher education amendment act 2013, interdisciplinary relation among various disciplines with VBHE and emerging role of RUSA in promoting value based higher education were widely discussed in seminar (by the delegates, resources persons and dignitaries). Following recommendations are strongly favored

1. Enhancement of usage of AV/LMS system in classrooms and laboratories and promotion of ICT in teaching and research.
2. Greater emphasis on introduction of skill based/value based courses in the curriculum to enable youth to undertaken self-employment.
3. Wide publicity and early implementation of UGC guideline and U.P. higher education amendment act 2013.
4. Early implementation of RUSA guidelines followed by release of grant to promote infrastructure in higher education institutions.

Furthermore the delegates attending 19<sup>th</sup> convention of U.P. govt. college academic society presented valuable papers in different papers in different subject and emphasized early publication of journal of U.P. Govt. Academic Society to promote publication.
